

Cutan[®] Moisturising Cream

Reconditioning cream to keep skin moist and supple.

Features & Benefits

Fragrance Free Formula - Minimises the potential risk of skin irritation and allergic reaction.

Hypoallergenic - Product has undergone review by a toxicologist and declared to meet the standard required of a hypoallergenic product.

Hygienic - Ultrasonically sealed cartridges help prevent cross-contamination.

Dermatologically Tested - Proven to be non-irritant.

Regulatory Compliance - Complies with Directive 76/768/EEC. Not tested on animals.

Economical – Each 1 litre cartridge provides up to 1,000 doses of cream.

Soothing – Helps maintain skin condition. Apply regularly, i.e. before breaks and at the end of a working day.

Non Greasy – Ointment based cream is easily and quickly absorbed, leaving a non-greasy after feel.

Neutral pH – Generally acceptable to all skin types.
